

Profile: Kelly Anne Alexander

Kelly Anne began her entertainment career with a hair care product line in 2011 with the development of her signature KA Leave-in Conditioner, KA Cleansing shampoo along with her infamous Tomboy Gel. In 2012, her products gained the attention of boxing greats "Sugar" Shane Mosley and Floyd "Money" Mayweather as they invited her to be in their gifting suite at the MGM Grand in Las Vegas. To this day, Mr. Mosley is one of her biggest buyers. She and her products have since been featured in many gifting suites, magazines, websites and major events. Her largest events were her trip to Paris to have her product featured in, "THE FACE OF THE WORLD" Pageant in 2014 and her trip to NYFW 2014, both due to the growing demand of her brand.

Kelly Anne launched another line called "Tomboy Wicked" in 2016 at Mandalay Bay in Vegas at P.A.C.S. Her success continued in 2015 and 2016 with product placement in music videos, reality shows, several short films, and 2 features (Distortion, 2016 and Wiles, 2017) in which Kelly Anne was also the lead hairstylist. In 2017, a new product door was opened with the development of a new KA line called KA Holistic which has already been featured at several private events.
